How to get to the seminar:

If you come from SOUTH or from EAST (VIENNA):

Go to the Highway Exit GRAZ-OST and follow it until the end (do not take any subexits from now on). When the Highway ends turn to the right into the "MÜNZGRABENSTRASSE".

Then you proceed on straight and you pass 6 traffic lights. After the 6th traffic lights (its a small one) take the next street left - "SCHIESSSTATTGASSE" and immediately turn left again and entering the KASTELLFELDGASSE.

After app. 20m on the right side there is the entrance of the ATG sports hall.

If you come from NORTH:

Find the your way to the "GRAZ HAUPTBAHNHOF" mainstation, pass by and proceed to the south direction on the "BAHNHOFS-GÜRTEL". You will cross the "Annenstrasse" - (pretty close to the mainstation) keep on going straight south on the "EGGENBERGER-GÜRTEL". The second is the big crossing is with the "KÄRNTNERSTRASSE" (to the right) and "LAZARETTGASSE" (to the left), so you keep on going straight south on the "LAZARETTGÜRTEL". You will now pass by a big shopping center to the left and after that the next big crossing you must take left on the "KARLAUER-GÜRTEL" (east direction). Follow it straight - it will become the "SCHÖNAU-GÜRTEL" which ends in the "CONRAD v. HÖTZENDORF STRASSE". Here you must turn left (north) and at the next crossing turn right (east) into the "STEYRER-GASSE". Follow it straight and take the third street left (north) into the "KASTELLFELDGASSE". GO straight until you reach the ATG sports hall entrance at number 8.

If you come by TRAIN:

Get off the "GRAZ HAUPTBAHNHOF" Main-station. On the right side you see the tram station "HAUPTBAHNHOF". Get onto a tram Nr. 3 (direction "KRENNGASSE") or Nr. 6 (direction "ST. PETER/SCHULZENTRUM") and go 6 stops to the station "DIETRICHSTEINPLATZ" and get off the TRAM. Follow the tracks into the "MÜNZGRABENSTRASSE" and take the first street right after app. 50m then immediately turn left again entering the "KASTELLFELDGASSE".

After app. 20m on the right side there is the entrance of the ATG sports hall.
